## PROFILE

A motivated and curious Computer Science student with hands-on experience in backend development. Proficient in Python and exploring technologies like Node.js, Express.js, and MySQL through academic and practice projects. Continuously learning full-stack development, including HTML, CSS, JavaScript, and React.js. Passionate about solving real-world problems and working in collaborative environments.

---

## EDUCATION

### B.Tech in Computer Science and Engineering

Trinity College of Engineering and Technology, Karimnagar. Expected

Graduation: 2026

Relevant Coursework: Python, HTML, DBMS, OOP, Web Development

### Intermediate (MPC)

Sai Sri Junior College, Sircilla Completed:2022

### Secondary School (SSC)

Celestial High School, Sircilla Completed:2020

---

## EXPERIENCE

### Web Design Intern

- Designed responsive webpages using HTML, CSS, and Bootstrap 5.
  - Applied animation libraries (e.g., Animate.css) and jQuery effects.
  - Understood layout, visual design, and cross-browser compatibility.
- 

## PROJECTS (PRACTICE / ACADEMIC)

- Student Records API - Created a backend using Node.js and MySQL to manage student data with full CRUD operations-
  - To-do List App - Built a simple backend using Express.js to manage tasks with proper routes and structure.
  - Library System - Made a backend system where users can log in and access library data based on their roles.
  - Weather App - Used an external weather API to show live weather info through a Node.js backend.
- 

## TECHNICAL SKILLS

- **Languages:** Python, JavaScript, HTML, CSS
  - **Frameworks & Tools:** Node.js, Express.js, Postman, Git, React.js (learning), Bootstrap 5, jQuery
  - **Databases:** MySQL, SQLite
  - **Concepts:** REST APIs, CRUD operations, Authentication, OOP, Responsive Design
- 

## ACHIEVEMENTS

- Completed a Web Development Bootcamp in 2025 and learned basic frontend skills.
  - Selected as a Python Intern based on my self-made practice projects
- 

## ADDITIONAL INFORMATION

- Currently exploring React.js to build full-stack web apps
- Passionate about building scalable and efficient backend systems
- Strong communication skills and collaborative team player - Languages Known: English, Telugu, Hindi
